

URGENT: STOP SB 3

PROTECT CONSUMER CHOICE, HEMP FARMERS, & SMALL BUSINESSES

SB 3: Would ban nearly all hemp products — allowing only CBD and CBG isolates. This means gummies, drinks, flower, tinctures, and even full-spectrum CBD oil would be made illegal, despite being safe, regulated, and relied on by millions of Texans for relief and wellness.

The bill has already passed both the Senate and the House — and now sits on Governor Abbott's desk.

If signed into law, SB 3 will:

- Eliminate 53,000 jobs and 8,000 small businesses
- Strip away access to plant-based wellness
- Push Texans into unregulated black markets

Governor Abbott still has a choice - Only a veto can stop this bill from becoming law.
